

e-therapy.com

e-therapy.com er vefsíða þar sem ráðþegar og ráðgjafar geta haft samskipti. Sálfræðingar bjóða faglega og örugga rafræna meðferð á síðunni og hver þeirra er með sitt eigið svæði. Það er auðvelt að læra á síðuna og meðferðaraðilar geta auglýst þjónustu sína þar. Ráðþegar geta bókað og fengið aðgang til að nýta sér meðferðina og þeir geta jafnvel skoðað hvenær hver sálfræðingur hefur lausan tíma. Ráðþegar geta fengið viðtöl í öruggu umhverfi heiman frá sér nánast þegar þeim hentar. Allar upplýsingar eru aðgengilegar.

All therapists and professional practice and services, who register with e-therapy, receive their own sub-domain (website). The service is available for all types of therapists: psychologists, counsellors, nutritionists, caseworkers and other professional support occupations.

Benefits of e-therapy for therapists

- Clients can access services when it suits them.
- Therapists can provide service to clients in remote areas.
- Housebound clients have access to therapy.
- E-therapy is an addition to traditional therapy, allowing chats between face-to-face sessions.
- E-therapy can be a first step in therapy for reluctant face-to-face groups; such as men and teenagers.

Benefits for the client

- They don't have to travel to a therapist.
- Online therapy can complement traditional face-to-face sessions.
- Online meetings in the comfort of the home, workplace or anywhere that suits clients.

More flexible session times can be chosen.
